MEMORANDUM FOR: Mr. James Q. Reber

SUBJECT : Preparations for Briefing at Honolulu

REFERENCE : Memorandum to SA/PD/DCI, dated 11 September 1958,
TCS-3779-58

1. I am in full agreement with your plans for [REDACTED] meeting.

2. I do believe, however, that we should have a brief written outline of procedures to be followed in our dealings with CINCPAC on operational and support matters. I would like to see such a statement before it is finally agreed and certainly before you go.
